

# Carter Center Internships

The Carter Center in Atlanta hosts more than 100 student interns each year in a variety of areas: Peace Programs (Conflict Resolution, Democracy, Global Development, Americas, and China Village Elections); Human Rights Office, Health Programs (in five different areas) focusing on disease eradication, Operations (finance, public information, events, fundraising/development, art services); and mental health. Internships are at least 20 hours/week for 15 weeks in the fall, spring, and summer. Juniors, seniors, graduate students and recent graduates are welcome to apply.
