

Interactive Qualifying Project (IQP)

IQP students work with local organizations to tackle real-life problems and challenges where science and technology meet social issues and human needs.

July Supplemental Application Process for 2025-2026 IQP Projects will open July 14, 2025

Supplemental Application Processes

July 2025 Supplemental Application Process

The next opportunity to apply for an off-campus IQP for the 2025-2026 academic year will be July 14, 2025.

The Global Experience Office will email all undergraduates a list of available openings for terms B25 through E26, and instructions for applying. This process moves quickly. The application will be open for just over one week. To prepare for applying in this process, please view the application process steps listed above.

7/14/2025 - July Supplemental application process opens

7/24/2025 - Application Deadline 12:00 Noon

8/10/2025 - Decisions Announced

8/17/2025 - Commitment Deadline

September 2025 Supplemental Application Process
