

New Student Orientation

New Student Orientation (NSO)

We are excited to welcome our new students to campus for the New Student Orientation in August 2025! Families and loved ones are welcome to arrive on campus with their goat as a part of our Move-In Day for incoming students.

Getting Involved at WPI – What to Look Forward to!

Providing Support During Transition to WPI

What to Expect from New Student Orientation, Insight & Move-In

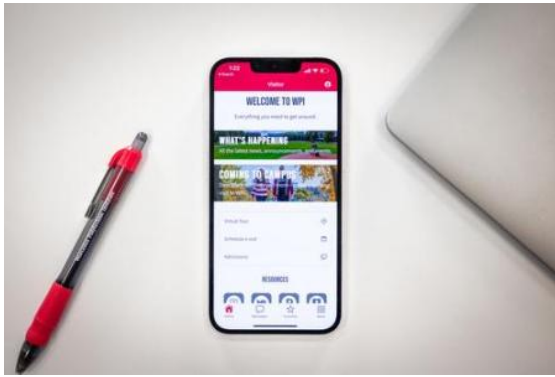

Keeping Well at WPI: Supporting Student Mental Health and Physical Wellness

During NSO, you'll get a jumpstart on your WPI experience through a variety of activities designed to help you:

- **Thrive academically:**
 - Meet with your academic advisor, school representatives, and attend Matriculation.
- **Connect socially:**
 - Mingle with classmates and participate in fun social events like **Orientation Olympics**.
 - Build friendships and find your community at WPI.
 - Feel welcome and supported throughout your transition to college life.
- **Understand your resources:**
 - Learn about the various support services available to you at the **Resource Fair**.
 - Explore health and wellness resources through engaging workshops and activities.
 - Discover career exploration opportunities through the **Job Fair**.

Throughout NSO, you'll also meet daily with your Insight Group, a dedicated group focused on supporting your successful transition to college life.

Keep up to date with all things NSO and WPI!

WPI resources at your fingertips. Download the **WPI app** and explore our interactive **virtual tour** — both providing expedient mobile access to campus services and information. View the NSO program schedule. Get timely updates. It's all in the palm of your hand.
