

Echoing Green Public Service Fellowships

Echoing Green is a non-profit Foundation that offers full-time Fellowships to emerging social entrepreneurs. The Foundation applies a venture capital approach to philanthropy by providing seed money and technical support to individuals creating innovative public service projects that seek to catalyze positive social change. The proposed project can be domestic or international. All areas of public service are eligible, including the environment, arts, education, health, youth service and development, civil and human rights, and community and economic development.
