

Intramurals

The WPI Intramural Sports Program takes great pride in providing a quality intramural program for the entire campus community. Graduate, undergraduate, faculty, and staff members of the university are welcome to join each and every program.

The philosophy of the program is to provide the participants an opportunity to become involved in a group and / or individual activities for social interaction, physical conditioning, and psychological development. The intramural program is designed to emphasize the importance of having fun in a competitive atmosphere.
