

# Summer Housing

WPI offers housing throughout the summer to currently enrolled, continuing students who are working locally or are participating in a WPI affiliated program. Our goal is to offer summer housing that is affordable, convenient, and makes sense for students.

Application & Important Information

**The summer housing application is now available at <https://WPI.starrezhousing.com/StarRezPortalX>.**

- Current WPI students who are working locally or are participating in a WPI affiliated program may apply for summer housing.
- **Late Stay:** If you need to stay late past closing on **Saturday, May 10**, you will need to sign up for summer housing. You will be relocated to the centralized summer housing location and you must be prepared to move starting **Friday, May 9**.
- All Summer Housing locations will have kitchens with ovens and refrigerators because meal plans are not available. Students must furnish their own pots, pans, dishes, silverware, etc.
- All summer housing students transitioning from their Spring housing assignments must be available to move into their summer assignment **between May 16-30**.

- All summer housing students will receive a new housing assignment in a centralized building that will be different than their academic year space.
- Check in and key collection for summer housing will take place during Housing & Residential Experience Center hours.
- **If you select arrival and departure dates outside of this date range we will change them to match our indicated timeline.** The only exceptions are students transitioning directly between a summer and academic year assignment, in which case refer to information the below.
  - **Students with a Spring 2024 assignment** that would like to transition directly from their Spring to Summer assignment should select **May 10** as their check-in date; you must be available to move anytime **between May 10 - 23.**
  - **Students with a Fall 2024 assignment** that would like to transition directly from their Summer to Fall assignment should select **August 16** as their check-out date; you must be available to move anytime **between August 1 - 16.**

## **Students with Spring 2025 and Fall 2025 on campus housing assignment:**

- Summer housing dates: Saturday, May 10 - Friday, August 15

## **Students living off campus for Fall 2025:**

- Summer housing dates: Saturday, May 10 - Friday, August 1

## **Students moving from off campus housing to summer housing:**

- Summer housing dates: Monday, May 12 - Friday, August 1

## **Graduating Seniors ONLY:**

- Note that the latest possible check out date and time is Saturday, May 16 at 11:00pm.

## **Summer Housing rates per night per person:**

- \$38 single room
- \$28 double room

- Students will be placed in single occupancy bedrooms unless you indicate a **roommate preference**.
- Students also can indicate an **apartment mate preference** (in the same apartment, not in the same bedroom).

**Current on-campus students** - Residential students will remain in their current D term placement from academic year closing until their summer housing assignment is ready. You will be notified by the Housing & Residential Experience Center through your WPI email when you are able to move with specifics. Please be prepared to move to your summer assignment the week following commencement, if not earlier.

**Fall semester transition** - If you are staying through August and have an on-campus housing assignment for Fall, you will be notified by the Housing & Residential Experience Center through your WPI email when you are able to move with specifics. Please be prepared to move to your Fall assignment at the beginning of August. Transitions may occur as early as the last weekend of July. If you do not have an academic year housing assignment, your latest possible checkout date is **Friday, August 1**.

## What if I need to stay late? (INCLUDING GRADUATING SENIORS)

- Extensions to stay beyond closing must be approved by the Housing & Residential Experience Center. You need to complete the summer housing application found at <https://WPI.starrezhousing.com/StarRezPortalX> by **Wednesday, April 23 at 5pm** to be approved to stay past May 10th
- *All late stay students should be prepared to be relocated depending on building needs.*
- Students requesting to stay beyond May 9, depending on circumstances MAY have to pay a charge of \$30 per day.
- Specific information about your late stay will be sent to you individually based on your residence hall.

### Summer Housing Experience

Summer housing is not just a place to sleep during the summer, but provides residents with an opportunity to connect with others, participate in programs, and to experience the campus and Worcester community.

The summer Community Director (CD) and resident advisor (RA) staff provides social programs, information on activities to do in Worcester and on-campus, as well as support residents through any questions or concerns they may have.
