

Clubs & Organizations

Are you a gamer who lives to play? A sports enthusiast who needs to compete? A musician who loves to perform? A cheese connoisseur who...well, loves cheese? At WPI, we've got a club for that. In fact, with over 235 student organizations, we've got something for everyone—including you.

Getting involved in an extracurricular activity helps you to meet new people, share your talents and interests, and even discover a newfound passion you may never have found before. When you arrive on campus, be sure to check out the Activities Fair, where over 280 clubs and organizations gather to advertise their clubs and associated opportunities. It's a great way to see if there's a club or two that you'd be interested in joining.
