

# Tobacco-Free Campus/No Smoking Policy

## WPI is a Tobacco-Free Campus

Effective August 25, 2014, WPI is a tobacco-free campus—part of a broader institutional effort to create a campus culture of mutual respect, wellness, and sustainability.

The policy, which originated with the Student Government Association's Smoking Policy Committee's efforts over the last three years, has been approved by the Board of Trustees, the Safety Committee, Fringe Benefit Committee, and others.

## Cessation Program

WPI is committed to assisting both employees and students who wish to participate in a cessation program. Employees needing additional information on the programs available may contact Human Resources at 508-831-5470 or [human-resources@wpi.edu](mailto:human-resources@wpi.edu), and students may contact the Dean of Students Office at 508-831-5201 or [dean-of-students@wpi.edu](mailto:dean-of-students@wpi.edu).
